

## **GSHA 2019 Nominations Committee Report**

**04 AUG 2019**

Members: Frank Dominguez, Jeanette Martinez, John Martinez (Utah Chapter), Joe Martinez (FACC), Lenny Trujillo (SC), Rocio Anderson (MAL)

The committee kicked off the search for candidates for the positions of VP and Secretary.

Jeanette has found a candidate for the position of Secretary, so we are concentrating on finding a candidate for the VP position.

She also had phone conversations with GSHA members John Valdez, FACC; Monica Young, FACC, Ed Frushour, FACC, as well as Rebecca Atencio Hunter, MAL; and Patricia Dilesky, GSHA-SC. Three out of the five listed have agreed to serve on committees or in other areas on the GSHA Board, and one is considering serving.

Jeanette also spoke with Gregory Pisano, GSHA-SC, who stated he is already working with the *Nuestras Raíces* Journal and serves on another board of a different genealogical society. She will continue making phone calls to other GSHA members.

Lenny reported back on 23 JUL 2019 that he was not able to find any candidates from the Southern California chapter.

John Martinez, in a phone conversation from 04 AUG 2019, reported that he could not find a suitable candidate from the Utah chapter.

Joe Martinez reported via email he has reached out to several FACC members. One person responded and is unable to help at this time.

Frank did call one person regarding the VP position and they are thinking about it and will get back to him sometime in the next few weeks.

Respectfully submitted,

Frank Dominguez and Jeanette Martinez
